

SAP ABAP

SAP ADVANCED BUSINESS APPLICATION PROGRAMMING

Welcome to GTR Academy, your ultimate destination for top-notch online training and education. **Since 2021**, we have empowered **10000+ students** and facilitated **9200+ placements**, helping you step up, learn today, and lead tomorrow!

Our commitment to quality training, distinguished trainers, and transparent dealings sets us apart. We dedicate ourselves to providing excellence in all our programs, whether it's top-quality training, placement support, or the results of exam-based programs. This dedication is reflected in our glowing reviews on Google, Facebook, and LinkedIn.

DESCRIPTION ►

At GTR Academy, our SAP ABAP course is designed for students, IT professionals, and aspiring SAP developers who want to gain real-time, hands-on expertise in ABAP programming. Delivered through live online sessions with a verifiable certificate, this training covers everything from ERP fundamentals and SAP S/4 architecture to advanced ABAP topics like internal tables, module pool programming, BDC, LSMW, smart forms, and file handling. Our SAP ABAP certificate program ensures you learn through practical labs, real business scenarios, and personalized mentorship from industry experts. Whether you're looking for SAP ABAP training online with certificate or an in-depth SAP ABAP course that covers all modules step-by-step, GTR Academy provides an industry-aligned curriculum with strong placement support and career guidance.

Training Delivery

1

Discovery call

A call to evaluate training requirements and adjust course and delivery accordingly.

2

Tech call with the Certified Instructor

A call with the Certified Instructor to address specific queries and requirements.

3

Design of Customized Curriculum

Tailored curriculum to meet specific learning objectives and organizational needs.

4

Training and Access to LMS

Commencement of training sessions along with access to the Learning Management System

5

Live training

Live training sessions conducted in real-time to facilitate interactive learning experiences.

6

Hands-on Role Based training with Labs

Interactive training featuring hands-on exercises and specialized labs tailored to specific skillset.

7

Course Materials Access using LMS

Access course materials conveniently through the Learning Management System.

8

Student Progress Metrics

Monitor student progress through comprehensive metrics and analytics.

9

Final Quiz in Gamification style

Concluding the training with a gamified final quiz to engage learners and reinforce key concepts.

10

Certificate of Completion (verifiable)

Participants provided with a verifiable Certificate of Completion upon successfully finishing the training.

Certification Process

1

COUNSELLING

Start your (SAP ABAP) Training Course. Get in contact with the best counsellor to choose the best batches for yourself.

2

ATTEND THE TRAINING IN SAP ABAP

Attend the Instructor-Led Sessions of (SAP ABAP) Training Course and get your Course Completion Certification. Go Through the Recorded Sessions, in case you missed any topic or training.

3

SUBMISSION OF PROJECTS ASSIGNED

Develop your knowledge while doing the hands on projects assigned by the instructors during the certification for Assignments and to get the certification.

4

TRAINING COURSE

Complete your course certification of (SAP ABAP) Training Course, and get our GTR Academy at the fore of your name. You can use it on your social networking sites, to interact with experts in the same field, for freelance. It can help you to grow your Network and get the keen work in the expertise.

Review

Suriya k

I'm currently learning SAP MM from GTR Academy through online classes. The trainers are excellent at doubt solving, and the team provides great support whenever needed. The course content is well-structured, and the recorded sessions are very helpful. Overall, a great learning experience!

Donwin

GTR Academy provided excellent training with practical, real-world insights. The mentors were knowledgeable and supportive throughout the program. I gained strong confidence in my skills and feel well-prepared for my career.

Shaheen M

I recently completed SAP SD (Sales and Distribution) training, and I must say it was an incredibly enriching experience. The course was well structured, covering everything from the basic of the Order-to-Cash cycle to advanced integration with MM and FI modules.

Shantaveer

GTR Academy provided excellent training with practical, real-world insights. The mentors were knowledgeable and supportive throughout the program. I gained strong confidence in my skills and feel well-prepared for my career.

Ajay Sahu Pravakar

The institute provides excellent SAP training with a strong focus on practical knowledge and real-time project scenarios. The trainers are highly experienced and explain complex concepts in a simple way, making learning very effective. Their guidance and support help build both technical skills and ...

Sudharani B k

The SAP SD course at GTR Academy gave me deep insight into the end-to-end sales cycle, including configuration and business processes. The trainer was very supportive and always encouraged interactive learning. I highly recommend GTR Academy for anyone looking to build a career in SAP.

Narendra Singh Rathore

The SAP S/4HANA MM course at GTR Accedmy exceeded my expectations. The content was industry-relevant, the trainers were experienced, and the hands-on practice really helped solidify my skills. A great choice for anyone looking to advance their SAP knowledge.

Anjali

I am learning SAP ABAP from GTR Academy, and the experience has been excellent. The trainers explain every concept in a clear and practical way, which makes it easy to understand even complex topics. The course is well-structured, with real-time examples and hands-on practice that help in building c...
